

Thank you for your enquiry about advertising in the Kings Norton Parish Magazine. Here is what you need to know if you wish us to print your advertisement.

We accept three sizes of advert, full page, half page and quarter page. Since the magazine is printed in A5 format, the following spaces are available (measurements are approximate).

Size	Height in cm	Width in cm	Orientation
Full page	18 cm	13 cm	Portrait
Half page	9 cm	13 cm	Landscape
Quarter page (P)	9 cm	6 cm	Portrait
Quarter page (L)	4.5 cm	13 cm	Landscape

There are only 2 spaces available for colour adverts, on the inside front and back covers. These are allocated on a first-come-first-served basis and are often booked months in advance by regular advertisers. All others are printed in black and white and are arranged within the publication at the discretion of the Editor.

12 months	Black & white	Full page	£313

If you wish to place an advertisement, your first step should be to email David Ash, the Editor ([editor@kingsnorton.org.uk](mailto:editor@kingsnorton.org.uk)) to discuss the details. Once a decision has been reached about the size and wording of your advert and the frequency with which it will be printed, you will receive an invoice which must be settled before we go to print. We will request payment by emailing you a link to our online payment service, where you will be able to pay with a bank card, by bank transfer or using PayPal.

If you provide your own advertising copy, it must be supplied by email in one of the following file formats: JPEG, PNG, TIFF. Please note that we cannot accept files in PDF or Word format. For the best possible print quality, the resolution of your graphic should be set to 300 dpi (dots / inch). Please check that your finished file fits the dimensions shown above. If you are in any doubt about the technicalities, David Ash will be pleased to advise. We can also design an advert for you on request for a one-off charge of £35.
